

The Village

A gift of shelter from the people of Minnesota to the people of Sri Lanka

Shimek Learning Center dedication will be in July 2007

Central Engineering Consultancy Bureau has completed construction work of the Shimek Learning Center. They are now in the process of completing the fencing and landscape work. After visiting the site Susie Pratt from the Architecture for Humanity organization said "The first thing to let you know is that the quality of construction appears to be very good. I have seen a lot of poor construction work in the re-building effort post-tsunami, so I was very relieved to find such a high standard here." (picture courtesy of Susi Pratt, AFH)

Visitors from Minnesota are happy with the progress

Sishir Chang from PATH met with MnSLFF volunteers in Sri Lanka Thilak and Sydney

Becky Guneratne with site engineer Vijith & his technical staff. Becky leads the Montessori committee

Mithula met with the house recipients and the site engineer Vijith and his staff

Donations

We rely on the generous donations of people like you to accomplish our work. You can contribute to MnSLFF by making a donation online via Paypal, by hosting a fund raiser, or by mailing a check to MnSLFF
8235 Marsh Creek Rd
Woodbury MN 55125

We appreciate your generosity

Without your trust and support of our vision none of this would have been possible. The tsunami survivors and all Sri Lankans are very appreciative of your kindness and generosity in helping in their time of need.

Water Tower

Volume 3, Issue 1

There are over 800 children in Monrovia in the Project. They all are looking forward to use the Learning Center.

Center will house a Montessori preschool, Library and a Computer center. (Pix by Susi Pratt)

Main gate under construction
