Construction : Foundations are completed

The construction at the site is very much satisfactory. The builders are ahead of the time line that's been given by REDECO. The foundation has been laid on all houses. The contractors have started building the walls.

T.M. Jayaratne Concert

June 25 2005 marked six months to the day since the Great Asian Tsunami. The Minnesota Sri Lanka Friendship Foundation marked this day with a fundraising event, a concert of music featuring Maestro T. M. Jayarathne, at the Metro State auditorium in St. Paul. Funds will be used for the Community Center, the MnSLFF is building as part of the Village Re-building project in Hikkaduwa, Sri Lanka. [Read More](#)

Architects For Humanity helps MnSLFF

Members of Architects For Humanity met with the MnSLFF, to help in planning their Community Center building in Hikkduwa, Sri Lanka. Preliminary plan has been completed by the Urban Development Authority in Sri Lanka. This two storey building will accommodate a Pre-School, Medical Clinic and a Library. This facility will be opened to all the families (300) in the Monrovia Estate and the Rajgama / Hikkaduwa community.

Group of Australians helps MnSLFF to build houses for tsunami survivors.

Foundations for all 50 houses are now completed.
